

April 9, 1940.

Mr. Charles E. Blossfield,
488 Main St.,
Hartford, Conn.

Dear Mr. Blossfield:

I am in receipt of your letter of April 4th with duplicate contracts enclosed, which you had drawn up for the leasing of the Stadium in Hartford to the Negro National League for a doubleheader on Sunday afternoon, May 26, 1940.

I have made a couple of corrections, the first one where I inserted the words, "an option of", I made as a result of my conversation with Mr. Pompez, who informed me that this was the agreement he made with you \$100.00 guarantee with an option of 10% of the gross receipts. The additional paragraph on the bottom, I felt should be added. If the contract is not satisfactory as stands and you care to draw up another one, I will appreciate having you forward it to me as soon as possible.

Yours very truly,
